# Leadership Customized

Find your personal answers to vital questions you have to deal with in a Leadership position. So that you will master your role with success, prudence, and integrity - and in good health.

SEMINAR THREE DAYS

# TIBOR KOROMZAY

Facilitator, Consultant, Coach

## LEADERSHIP CUSTOMIZED

### TOPICS

Dealing with power – personal integrity and balance – the nature of change – integration of emotionality – the inner compass – the quality of connectedness – a systemic view – dealing with complexity and unsolvable issues.

### PARTICIPANTS

The seminar addresses leaders who want to display integrity and sustainability in their role. You see the importance of personal maturity and ability to judge coping with the diverse and complex challenges and the high personal requirements that leaders are confronted with.

### YOUR BENEFIT

You sharpen your personal perspective on crucial topics for leaders. You develop a reliable inner compass. You attain a comprehensive view on Leadership, balancing economic, political, moral, ecological, and social aspects.

### METHODS USED

Self reflection, small group work, discussion in plenum, practice of Aikido principles, discussion of real world cases of the participants.
